September 11, 2024 **Please remember to acknowledge all addendums

**NOTE: OUR NEW PROCUREMENT OFFICE LOCATION – 3 SOUTH CHURCH STREET
VOTER REGISTRATION and ELECTIONS BUILDING**

ADDENDUM #3 -The purpose of this **ADDENDUM** is to correct the language on Addendum # 2 “to allow for crane rental charges to be broken out by building” and answer the last questions received.

- Q:** Can we invoice for materials (AC Units) prior to work starting? Or can we invoice per facility once all work has been completed on the facility instead of waiting on the total project (3 buildings) completed?

A: **The County will not pay for materials being stored on-site. The County will allow partial billing by completed installations per building (3).**
- Q:** Can the County provide the model numbers and serial numbers for the current equipment to be replaced?

A: See below:
