ADDENDUM #2 -The purpose of this **ADDENDUM** is to remove Site 8 from Solicitation and answer all final questions.

Site 8 (Mill Creek) has been deleted from this Solicitation

Questions/Answers

1. Is sending in a Certificate of Insurance with our bid package a requirement to bid on this Solicitation?

Sending the COI with the BID package is not required. However, a copy is required before the award is given.

2. In Section 2 it states the types of insurance necessary. One of the listed types is Auto Liability, and am unsure if that would be in relation to lawn care equipment? Also, is that a requirement to be awarded the project?

The County requires Auto insurance on any/all vehicles by contractors or subcontractors. We also require Commercial General Liability as stated in the solicitation in Section II.

All other terms and conditions remain unchanged.
